Certified Teacher Trainer

Certification Number: 676442

# Mahsa Ebrahimi

Teacher Training Center

Has completed the following topics in the course on  
**Teaching English to Young Learners**

Teacher Training Center

---

This course dealt with fundamental principles and techniques for teaching young learners in both online and face-to-face settings. It provided an overview of basic teaching knowledge and skills for different levels and purposes. Educational videos and technology-based tools demonstrated a practical theme for performing a lesson. Through a guided teaching practice, participants explored the covered topics in action and under constructive feedback.

## Study Timetable:

- 4 weeks;
- 2 hours, Introductory session
- 4 Input sessions, 5 hours per session
- 2 hours, Guided teaching practice

## Learning Outcomes:

- Identify learners' needs and context to plan engaging lessons.
- Design learner-centered tasks and activities to teach the new concepts.
- Develop learners' language skills through practical methods and techniques.
