has successfully completed the following course

Teaching English to Young Learners

A 30-hour online course offered by Teacher Training Center

November - December 2022

Narges Moghadam

Narges Moghadam

M.A. in TEFL / CELTA / TESOL
Certified Teacher Trainer

Teaching English to Young Learners

This course dealt with fundamental principles and techniques for teaching young learners in both online and face-to-face settings. It provided an overview of basic teaching knowledge and skills for different levels and purposes. Educational videos and technology-based tools demonstrated a practical theme for performing a lesson. Through a guided teaching practice, participants explored the covered topics in action and under constructive feedback.

Study Timetable (4 weeks)

- 2 hours, Introductory session
- 24 hours, Input sessions
- 2 hours, Guided teaching practice
- 2 hours, Assignments

Learning Outcomes

- Identify learners' needs and context to plan engaging lessons.
- Design learner-centered tasks and activities to teach the new concepts.
- Develop learners' language skills through practical methods and techniques.
